Bunkhouse Coordinator Report – April 2024 Highlights

The events this spring at the Bunkhouse have been a lot of fun! It's so rewarding to see the community gathering around food and events!

Here are some of the highlights from our Spring events:

- Working with kids to prepare food for the community lunches and events
- Showing of "Keepers of the Land" Film with Tavish and Dierdre
- Enjoying the musical performance by Joanna Finch
- Participating in the informative pond presentation and talk by Mike Gall
- Firesmarting around the Bunkhouse
- Learning skills to help be prepared in emergencies

Bunkhouse Coordinator Report – May 2024 Bunkhouse Events

On May Mondays that Kate is offering Adult Singing – **May 13th and 27th** - I will have coffee on by 11 am and will offer a light lunch at 11:45. **We appreciate donations for the food and refreshments**; this allows us to purchase more food for future events!

I will be serving lunch for participants of the Evacuation Training on **Wednesday May 8th.**

I will offer coffee and a light lunch on **whichever Wednesday is the Medical Clinic** day this month. Please note that date isn't determined yet. It might be May 22nd, but keep an eye out for a Community Notice to confirm that.

Please let me know if you are interested in organizing or hosting a workshop - the Bunkhouse is getting nicely set up to host events now!

Celebration of Life for our Beautiful Brenda

June 22nd 2024 at Rebecca Spit

We will be celebrating the beautiful life and love that Brenda shared with so many. Please join us for an afternoon of sharing memories and sending blessings. We will start at 3:00pm and meet in the big field at Rebecca Spit on Quadra Island. The idea is to hold a circle to share memories of our beloved Brenda. Afterwards we will do a paddle around the bay and enjoy a pot luck dinner together. For those staying into the evening we will head to the HBI for some live music and dancing. You know she loved a good dance!

From Brenda's Daughter, Elysia

Photo from Elysia

Current Events and Notices

Yoga with Reiko: Every **Wednesday 10:30 to 12:00** in the School Gym.

S100 Course – **May 4th and 5th** at Surge – course is full, with a wait list.

Singing with Kate: Adult Singing with Kate at the Bunkhouse!
Remaining dates (**Mondays at 12.30 pm) are: May 13th & 27th, June 3rd, 10th, and 17th.**

Evacuation Training: Wednesday May 8th, 10am to 12.30 pm at the Bunkhouse. There will be a complimentary lunch for participants. See the Emergency Preparedness Report below for more details.

Surge Medical Clinic: Date to be determined – stay posted for a Community Notice.

Outer Discovery Islands Emergency Preparedness Report - May 2024

What to do in case of fire: Please keep ***the attachment to this edition*** – written by Rosie & Ginny, vetted and approved by our BC Wildfire senior staff and our new SRD FireSmart officer Bonnie Logan.

This applies for Read, Maurelle, Rendezvous, and Sturt Islands, covered by BC Wildfire Sunshine Coast. Sonora /Busby are covered by a different BC Wildfire office – North Vancouver Island, out of Campbell River - and are working towards a formalized fire brigade, so the approach may be different.

What happens when BC Wildfire (Sunshine Coast) receives report of possible fire:

A BC Wildfire senior staff member (either the Wildfire Officer or Technician) calls our community remote liason (Ginny), or in her absence, back-up (Rosie) for more information and confirmation of the existence of the fire.

This community liaison program has been in place many years, some instances where it was used was to confirm and describe the Evening Mountain fire, Read Island, in 2019. Another recent instance - October 31, 2023, it was used to confirm the report of a wildfire on North Rendezvous Island was incorrect.

How does it work? Our community liason contacts the closest resident(s) to check our the situation as quickly as possible and report back. We are asked to advise approximate size, colour of smoke, weather and terrain conditions, etc. See list on page 2 of the attached "What to do in case of fire". Rosie and I will support BC Wildfire with other resources, including local knowledge of possible water locations, firefighting equipment nearby that owners are willing to share, camping locations or accomodation and cell service/wi-fi; helicopter landing sites and docks, and many other items.

Thank you to Donna Keeling and Zephyr Polk who acted as back-up liaisons since the start of the formal program. Although never called upon, they kindly agreed to step aside to give our Community Fire Team leaders an opportunity to meet and start to build a relationship with our BC Wildfire team.

Our BC Wildfire Sunshine Coast senior crew love this program – it gives them fast and reliable information, so they can be prepared with the correct resources, and saves them time and money in sending helicopters to find out if a reported fire exists or not.

UPCOMING TRAINING

For adults: What happens when an evacuation occurs in the outer islands? How best do we make it work here?

Wednesday May 8th
10 – 12:30 PM in the Bunkhouse
Complementary participant lunch follows

Designed for Emergency Support Services (ESS) volunteers and anyone interested in small or large-scale evacuations – how do we manage the issues that might arise, such as: When do I need to evacuate my chickens or goats and to where? How to help when someone's cat or dog is missing and they can't go home? How to help re-unite separated families, or let distant family members know their family is safe? The session will mainly be a realistic exercise / walk-through.

After lunch, Sheila will give ½ hr training on Bunkhouse systems - the Bunkhouse is our likely evacuation centre.

Presenter: Mary Catherine Williams, long time senior ESS volunteer from Campbell River who has led or been key in supporting all of the recent Campbell River evacuations and is passionate about the work ESS does.

Mary Catherine will meet with Surge School students 1:30 – 2:30 PM.

Marine Basic First Aid with CPR-A qualification training available on Stuart Island May 25-26, 9 AM – 5:30 PM as needed for Transport Canada requirements. Cost $250. Contact shaunkooopman21@gmail.com for information.

For Emergency Preparedness

Fire Safety Team Update

The Fire Safety Team continues to be very active in preparing for the upcoming fire season. A number of activities have taken place and are planned for the next month.

S100 Training – May 4th - 5th

The S100 training will take place May 4th & 5th. We have a full enrollment of 20 people with several others on the wait list. We're particularly happy that there will be at least one representative from each neighbourhood attending the course. Aside from the training, we hope to use the opportunity while we are together to plan any additional activities we should undertake to ensure we are prepared as we can be for the upcoming fire season.

Bulk Equipment Ordering

We did not have sufficient interest to enable bulk purchasing of equipment. Consequently, we encourage everyone to pursue purchasing on your own. Contact Jim (jmallis@telus.net) to discuss the best place to seek out cost effective purchases.

Communication with BC Wildfire Service (BCWS)

A few of us recently participated in a meeting with BCWS during which we were introduced to the key personnel of the Sunshine Coast Fire District (the Fire District that covers Read, Maurelle and Rendezvous Islands) and were bought up to date on current BCWS plans. A couple of points we'd like to share:

• **We asked about dates of potential fire bans.** At this point in time, no date has been decided despite the fact some have heard it may be May 14th. However, the point was made that regardless of when the formal ban comes into effect, we should all use common sense when conducting open burns.

• **BCWS have updated their app and we encourage everyone to download it.** Once you have done so, you can go to "Saved" on the top bar and add your location. This will tell you what the fire danger rating is in your location and if any fire bans are in effect. In addition, you can find a lot of information about fires both locally and province-wide by going to the map view and adding various layers. You can also use this app to report fires.

What To Do in Case of a Fire

Attached to this edition of the Current is a document outlining recommendations for what you should do if you notice a fire. In summary, if the fire is near you, endeavour to put it out and call for help – your neighbours, Jim and BCWS. If you see smoke in the distance, call BCWS and Jim.

Personal Preparation

Fire season has already begun. Just last week a human-caused fire broke out at the end of Jervis Inlet. Ultimately it is up to all of us to make sure we are prepared as we can be for what could be a significant fire season. This requires fire-smarting your property, ensuring you have personal fire-fighting equipment, making sure you have your neighbours contact information accessible and being as careful as possible not to do anything that might create an uncontrolled fire. If you have any suggestions of how the Fire Safety Team might help you or other community members prepare for fire season, please don't hesitate to contact us.

The Fire Safety Team

SEAWEED CAFÉ

The Seaweed Café is eager to see the Wednesday crowds on the dock again and
feed them delicious lunches. We need cooks!

A few folks have approached me about cooking and some would like to do more than one lunch. I'll make up a schedule if you let me know when you would like to present your homemade delights. First come first served, so connect with me, asap, to secure your preferred days.

Connect with me on FB messenger, or email:
judithwright_@hotmail.com (Please note the underscore after my name!)

We can start as soon as we have the earliest date. If you would like to do only coffee and treats early in May, before we get up to full speed, go for it!

Thanks, Judith

SNCA Board Shorts – May 2024

Solar Array for Surge Community Hub
The Hakai Solar Solutions team will come to Read early in May to make an assessment for a solar array to power the school and the Bunkhouse as part of the next financial year's plan for the R&R grant.

Barge Landing Update
We are still waiting for MOTI for the road widening permit. Until this permit is granted the project is on hold.

Storytelling
The team continues to transcribe the stories collected so far and is working towards a central narrative thread with mentorship from Jeanette Taylor on Quadra.

Gym Heating
Henry is coming early in June to work on the new system.

Sonora Freight Shed
The board has approved the budget and materials are being purchased so that construction can start in May.

Bunkhouse Renovation
The skirting has now been installed at the Bunkhouse (thanks Mark!) completing the Seniors Centre/Bunkhouse renovation project. Many thanks to all who helped see this project through to completion over the last 2 years.

Fire Smarting the Bunkhouse
Thanks to all the volunteers who showed up on April 5 & 19 to clear about 50' around the Bunkhouse and the Zone, reducing the amount of fuel available in the case of fire: Bruce, Maya, Laurie, Heather J, Charmaine, Jim, Shauny, Rand & Camilla (who is WWOOFing in the community). Thanks also to Sheila for initiating and organizing this event. There is still a branch pile to burn from this clearing; if anyone is available and willing to help, please contact the board.

Wishing everyone a Happy Mother's Day! *SNCA board - dood, Renee, Zephyr, Clarke*

Save the Date: Upcoming Musical and Theatre Events

Saturday May 25th – May Day Dance on Quadra (7pm)

Many Outer Islanders will remember the Quadra May Day Dances of yore and may be interested to hear that the tradition is being revived for a new generation! 7 pm at the Quadra Community Centre, with music by Willow, Big Buzz, and Tongue & Groove. More details on the poster below.

Monday June 17th – Surge School Play and Music Performance (Time TBA)

The schoolchildren will present the musical theatre production they are working on with Kate, and Kate's adult singing group will also perform!

Wednesday June 26th - Live Music at the Zone (2pm) – Jemma and Robbie

Jemma grew up on Cortes Island and is coming to play at Surge with her friend and fellow professional musician Robbie Banks. Jemma & Robbie weave together tender lyrics, funny storytelling, and catchy sing-a-longs to create a feel-good Canadiana-folk show.

Check them out online (they are also on Spotify):

www.robbiebankes.com and https://jemmaandthegoodthing.com/epk

Contact Sheila for more information or questions at fashedo@hotmail.com

Saturday July 20th – Mini Beach Fest at Lambert's Beach

There will be a mini Beach Fest at Lambert's Beach the weekend of July 19th and 20th. Tongue & Groove (Zephyr's Quadra band) are playing on the Saturday night, the Ukeladies will almost certainly appear, and other bands are TBA – there may also be music Friday Night! Stay tuned for details…
