SURGE CURRENTS

S.N.C.A. Volume 207 April 2024

APRIL BUNKHOUSE SOCIAL SCHEDULE

Happy Spring! I know everyone's getting busy on the homesteads with the onset of spring but I hope you can take some time to come gather with community. It's so important for our health and well-being to come together!

Here are the events planned at the Bunkhouse this month:

Friday April 5: 12-4pm - Volunteer Workday - we will be getting a start on Firesmarting around the community buildings - free snacks, goodies and refreshments!

Monday April 8: Morning - Emergency Preparedness Training
1pm - Singing with Kate
2pm - Coffeehouse - goodies and refreshments by donation

Wednesday April 17: 11-2 pm - Surge Medical Clinic & **Coffeehouse** - goodies and refreshments by donation

Friday April 19: 10-3pm - Volunteer Workday - we will continue work on Firesmarting around the community buildings - free lunch goodies and refreshments!

Monday April 22: 2-3:30pm - Coffeehouse & Presentation/Discussion about Ponds with Mike Gall - Many of us are considering digging ponds to help with fire fighting capabilities - but what about other benefits of ponds? Come join us for this informative session and find out! Mike lives on Quadra and has much experience with ponds. He also brings with him his experience as Captain on the Quadra Island Volunteer Fire Department as well as his knowledge of permaculture principles and design.

Monday April 29: 12:30 pm - Singing with Kate
2pm - Coffeehouse – goodies and refreshments by donation

Please get in touch if you have any questions, ideas for May events or if you'd like to host an event yourself!

Sheila fashedo@hotmail.com

Current Events and Notices

Surge Medical Clinic: April 17th , 11 am to 2 pm – Contact Quadra Island Medical Clinic to make an appt.

Singing with Kate: Kate is returning to work with the school children, and is also offering adult singing!
Dates are: April 8, 15, 22 & 29, May 13 & 27, June 3, 10, and 17 (Performance!)

Note from Jim Abram: "Sorry for the length of my submission (three issues) but two are coming up the in the next week (the covenants) and the other (Schellnick) will come up early to mid April. So, I hope you can squeeze it all in for immediate action…Thanks very much." ***(Jim's submission is attached)***

Outer Discovery Islands Emergency Preparedness Report - April 2024

Upcoming Training:

For adults: Dealing with difficult situations and people in stress
Monday April 8: 10 – 12:15 PM in the Bunkhouse - Complementary lunch follows!!

You'll receive tips and tools for dealing with difficult situations and people in stress during emergencies or challenging times; also how to de-escalate conflict and preserve relationships, and how to work with stress for yourself and others.

For eclipse enthusiasts, we'll take a brief break at 11:29 AM to see our 24% eclipse.

Please RSVP to Sheila or Ginny to advise if you're coming for the complementary lunch following - this will help Sheila determine quantities.

For Surge School students: Emergency Preparedness for the Future
Monday April 8: 1 – 2 PM - Training on how to personally prepare for emergencies.

Next Training date: Wednesday May 8th
What really happens in emergency - evacuation centre; learning from others, applied at Surge Narrows

---

Welcome home!

Our community 1st Aid kit from Hoskyn Channel – which disappeared mid-2023 - was found by the RCMP in cache of stolen goods and returned.
Look for it back in its box at the head of the Hoskyn Channel wharf.

Ginny Vassal
For Emergency Preparedness

Fire Safety Team Update

With the summer fast approaching there is a lot going on as we endeavour to be as prepared as we can for the upcoming fire season. Please take a few minutes to read these important updates.

Equipment Ordering

By now you should have received an order list for fire equipment. ***An order form is also attached.*** If you are interested in ordering any equipment, please complete the form and submit to Renate K (**rkviet@hotmail.ca**) **by Sunday April 7th.** Renate will then get back to you with your final cost and confirm your purchases.

S100 Training – Surge Narrows - May 4-5th

The Basic Fire Suppression and Safety (S-100) training is a critical course in preparing us for the upcoming fire season. We need to be competent and ready to take basic actions to form the initial attack on a fire prior to the arrival of BCWS. There are a couple of opportunities to take this course locally. One is on **Quadra on April 20, 21 & 27th**. The other course will be held at **Surge May 4 & 5th.** The cost for the Quadra Course will be minimal (in the order of $10 total for one, two or three days). At this point we believe there will be no charge for the Surge course (thanks to Ginny for finding this opportunity!).

If you are interested in participating in the Quadra course please send a note to Paul Nimmon at **annikandpaul@telusplanet.net** asap to secure your spot**.**

If you are interested in the Surge course, please contact Renate at **rkviet@hotmail.ca**. At this point we are unsure of the maximum number of participants, but we will operate on a first come, first served basis.

Communications Test

Last Wednesday we tested our emergency communication system. If you did not receive a test notice it was because of one of the following reasons:

- You did not complete the fire questionnaire.
- You completed the questionnaire but we made a mistake transferring the information to the group lists
- You listed VHF or a phone call as your primary and secondary methods of communication. If you are in this group, you likely won't receive the initial call-out. However, in the event of real emergency we will ask everyone to turn on Channel 12 at which point you will likely get information.

If you would like to be added to this emergency list please contact Rosie (**rosie@executiveworks.org**) with the following information: Phone number, email and, if applicable, VHF call sign and Facebook Messenger name.

Communication Contact Volunteers Required

Now we have our communication list developed, it is important we have a few people available to send out a community-wide notice in the event of an emergency. We cannot rely on just one or two people being available. We are looking for a few people who meet the following criteria:

- Frequently available either via phone, text, Messenger or email
- Skills to send group emails and text (both to android and iPhones)
- Able to send group messages via Facebook Messenger

If you meet these criteria and are willing to be a back-up communication coordinator, please contact Rosie (**rosie@executiveworks.org**). We hope you will never have to do anything, but we need to be prepared.

Fire Safety Team Update cont…

FireSmarting Your Home

Now is the time to FireSmart your home. Doing so will dramatically decrease the risk of a wildfire damaging your home.
We have attached an infographic which summarize the key things you need to do to FireSmart your home.
The FireSmart organization has also developed a couple of courses to guide you through this process:

- FireSmart 101 is FREE online one-hour course that will inform you of what you need to do to FireSmart your house. We recommend everyone takes this course as it is an invaluable reminder about what you need to do to protect your home in the event of a wildfire. You can access the course **here**.

- For those seeking more information, the 3.5 hr online Wildfire Risk Reduction Course covers the material presented in the FireSmart 101 course, along with information on Emergency Management in BC, Wildfire Behaviour, BC Wildfire Service Management and Response and Fuel Management Overview. It can be accessed **here**.

Practice Hose-Lay and Pump-Testing

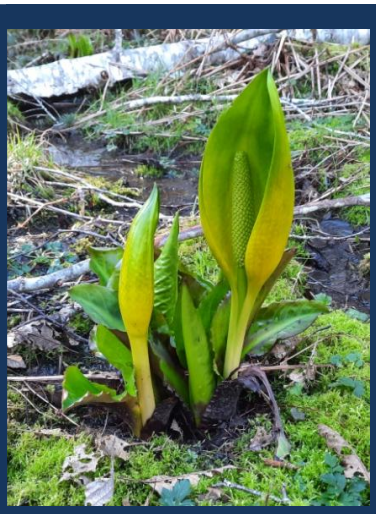
This last month a few of us spent a sunny Saturday afternoon testing fire pumps, laying hose and generally discussing the steps we would need to take in the event of a fire. All agreed it was time well spent and there was a lot of learning all around. Jim is going to conduct a similar session for Sheer Point/Windfall residents in the not-too-distant future. If you would like Jim to come to your neighbourhood and do a practice hose-lay and pump testing session, please contact him at jmallis@telus.net.

Fire Extinguishers

Fire extinguishers are a key piece of equipment in preventing the spread of fires.
See the Fire Extinguisher attachment for recommendations on the number and type you should have.

Practice hose-lay and pump-testing at Surge March 16th – assisted by many dogs!

SNCA Board Shorts – April 2024



Recovery & Resiliency Grant Update: dood reported to the Vancouver Foundation this month & our funding is now guaranteed for the coming financial year.

The Surge Current: Thanks to Zephyr for taking on compiling the Current. Huge thanks to Kathy for her years of work keeping our community connected!

Barge Landing Update: We are still waiting for MOTI to get in touch about the road widening permit. Until this permit is granted the project is on hold.

Wishing everyone a Happy Easter! - SNCA Board: dood, Renee, Zephyr and Clarke

We lost a beloved community member early this March with Brenda Dempsey's passing. Here are words from her daughter Elysia to help inspire our grieving and our spring gardening.

"Many have reached out asking if they can do anything, to help in any way. As most of you know, mom loved to garden. Not just veggies, but also beautiful flowers, trees and shrubs, really any kind of beautiful, wild foliage was right up her alley. So if you have the space to plant something in her honour this spring, please do. She would be so pleased. If you don't have space but still want to plant something we will be dedicating a part of her beautiful garden on Read Island to her memory this spring and planting a bit of an living shrine for her. We will then do the same in Mexico next winter. I'm happy to collect the plants or funds to purchase said plants. She specifically asked a few of us to plant variegated roses, which feels like a bit of a tall order, but we will persevere and find these elusive beauties to honour her beautiful spirit."

Heads Up – *Tina Thompson*

This morning, a deep fog took over the bay,
til the sun did the magic lifting act, as It does.
"That's not a dead head out there, …it's a kayak!
It's Brenda ..!", with each stroke of the Paddle,
She's having a great time."
One can smile, knowing she's laughing on the Journey.

With Spring dancing and a New Beginning of the Current
carries on after Kathy's strident energy,
here's to the coming of Zephyr,
Spirit with the wind in it's fist and Renate on side.
What grand dreams come true, one can only imagine.

The daffodils on my table, are like Sun hats facing down,
watching every step ahead, sipping ginger nettle tea.

Happy days are Here

Reminder: New Email Addresses for Current Submissions and Surge Notices

Hi Surge Community! As most of you know, I (Zephyr Polk) am taking over compiling the Current each month, and Renate Harvey is taking over sending out Community Notices. Takes two of us to try to fill Kathy's shoes!

Send Current Submissions by 26th each month to: surgecurrents@gmail.com

Send Community Notices to: surgenarrowscommunitynotices@gmail.com

OCEAN PACIFIC
MARINE STORE & BOATYARD

Outfitting and Servicing Commercial and Pleasure Crafts
~Since 1985~
****

102-1370 Island Highway, Campbell River, BC V9W 8C9
Phone: 250-286-1011 Toll Free: 1-800-663-2294
