Surge Currents

S.N.C.A. Volume 227 December 2025

Bunkhouse Coordinator Report

November was another busy month despite the onset of rains and shorter days. We started off with welcoming the Cortes Island Academy (including Surge alumni Salix, Jasmine and Dylan) who stayed in the Bunkhouse for three nights. They appreciated the facilities and had a great time meeting locals and playing games with the School kids.

Robyn Mawhinney's visit gave us important insights into issues affecting our Community at the Regional District level. Director Mawhinney provided updates on the various projects in our area and listened to our concerns and feedback. She appreciated the opportunity to visit and we plan to make her visits more frequent as there is a lot going on in our area and it's important she hears our perspectives on the issues!

An event highlight for me was the Community Dinner and show by the musical duo Zonnis. It was truly a special night and very different to be socializing in the Bunkhouse after dark! It was great to work with my new assistants, Lise and Renate H who were a great help in preparing the big Indian dinner complete with 3 curries, naan bread and apple cake. The music was great - Andrea and Adam Zonnis were super entertaining and had a great time not only performing but also meeting everyone and getting to talk to people between sets. Thanks to my mom and Stefan who also helped out a lot at this event! Please let me know if you have connections to other artists that you would like to invite out to perform at the Bunkhouse, or if you have ideas for

workshops etc in the new year. So far I have a few Coffehouses planned and of course there will be the annual White Elephant New Years Eve Party! Please bring a potluck dish for the lunch (I'm hoping to provide the main protein and carbs) if people can bring vegetables and desserts. Please also bring along one wrapped present for each person coming, for the gift exchange game after lunch.

- Sheila, Bunkhouse Coordinator
fashedo@hotmail.com 250-203-9490

Christmas Concert - Dec 19th 2025

10:30 am - **Coffee and Refreshments** hosted by PAC
11:00 am – **Christmas Concert** begins

The students will perform their play, song, dance and recorder piece, followed by the community choir and community play. We welcome other individual performances from community members. There will be a **Potluck Lunch** to follow, and everyone is welcome to stay and enjoy conversations and games in the classrooms and gym. Artists are welcome to display their arts and crafts.

December 2025 Community Events Schedule

Reminder: check snca.ca for the most up-to-date calendar, and also keep an eye on the Surge FB page for pop-up events!

- **Wednesday Dec 3rd** — **Coffeehouse: 12:30 - 2:30 pm**
- **Friday Dec 5th** — **Grocery Delivery**
- **Wednesday Dec 10th** — **Coffeehouse: 12:30 - 2:30 pm**
- **Wednesday Dec 17th** — **Coffeehouse: 12:30 - 2:30 pm**
- **Friday Dec 19th** — **Annual Christmas Concert at Surge School**
  10:30 am – Coffee and Refreshments
  11:00 am – Concert begins
  Grocery Delivery
- **Wednesday Dec 31st** — **White Elephant New Years Eve party: 12pm**
  Potluck lunch with gift exchange game to follow

Carol Singing and Potluck at Hanneke and John's - Dec 21st, 4pm onwards

John and I would like to invite everyone to an evening of carol singing at our home at Paradise Point (Burdwood Bay), Read Island on December 21st.

What to bring: - Something for pot luck dinner, drinks and a festive spirit! Also bring a musical instrument if you wish. I have music and guitar chords.

Program for the evening:

- 4:00-5:00: Arrive, Coffee/Tea
- 5:00 - 6:00: Carol Singing. (We have booklets with words of most traditional carols)
- 6:00: Potluck Dinner and socializing till late

We realize that this can be difficult to attend for those not on Read Island. We suggest that you liaise with friends on Read for a lift and sleep over. We can accommodate 6 people (3 rooms) and a few more if you are prepared to sleep on a mattress in our lounge. We have a dock and you can also reach us by road.

Please email me if you have questions/suggestions and if you would like to stay over: *Hanneke@paradise-music.com*

We hope to see you here!

SNCA Board Shorts December 2025

New Webpage for SNCA-Homalco Partnership
As negotiations progress towards a final disposition of woodlot and other property acquisitions, our partners, Wilderness International and the Homalco Nation, in collaboration with SNCA, will draft and soon launch a new web-page to be featured on our website. It will echo the principles and goals of SNCA in relation to environmental stewardship and protection of our natural resources for the benefit of our community and partners. Stay tuned, the launch is imminent!

Firewood Collection Drive
SNCA would like to thank Alex and Gina for chopping and hauling with Clarke's help, a couple cords of firewood for winter use in the bunkhouse. However, board members felt that an older tradition of an annual community firewood drive should be re-started as its members of our community who benefit primarily from the Bunkhouse use and programmes, and our hope is that the community can contribute to keeping it warm for everyone. Consequently, we hope to kick off this process in early spring when the roads harden up a bit, and will start with harvesting and processing trees Ralph has located on his property that need to come down. In the meantime, anyone with a small surplus is welcome to drop that by the bunkhouse woodshed!

Fire Season - Ventilation Index
Keeping on the fire topic, just a reminder for everyone; when burning must be done - please in addition to first checking BCWF for any burning bans, have a look at the BC Ventilation Index (https://www.arcgis.com/apps/webappviewer/index.html). It publishes daily burning permissions based on the potential spread of smoke or toxic gases in all areas of BC. Save your neighbours gasping!

Aging in Place
Following the response by our community to Sally Davies' article in the November Current, SNCA has asked Sally (and she agreed) to publish a quarterly update on the Aging in Place programme. Given our aging demographic, several potential enhancements to the programme are being discussed and progress on these will be published regularly. Sally and Sheila are organizing a U of Surge session hosted by Margaret Verschuur from Way to Go Quadra Island on the topic of death services – please see their website (https://way2go.ca/info-guides/). Additionally, considerable discussion has been ongoing related to the establishment and operation of a community memorial garden/cemetery on Read Island. SNCA is in the process of researching options and requirements before launching a community-wide consultation at some point in the New Year.

As this is the last Current before the New Year, SNCA wishes everyone celebrating over the coming month or so, the best of the season, and our hope for a safe and prosperous new year!

- SNCA Board - Dan, Clarke, Heather, Jay & Ralph

Welcome, Sage Ophelia!

Congratulations to Sara and Keith on the birth of Sage Ophelia Clegg! She was born on October 25th, 2025 at 11:47pm, (7 lb 15oz). The Surge community is excited to welcome its newest member!

Photos from Sara Clegg

WHARF UPGRADE WORK STARTING SOON
SCHEDULE UPDATE
OWEN BAY & SURGE NARROWS
— PLEASE PREPARE —

Owen Bay:

- Approach construction begins week of December 15
- Float replacement in early January

Surge Narrows:

- Construction to begin early in the new year

Required Action From Users

- Remove all personal belongings from the floats and approaches
- Remove all vessels from the floats before construction begins
- Contact SRD regarding any abandoned or derelict vessels
  250-830-6719 | engineering@srd.ca

Revised Start Date for Wharf Construction — Owen Bay & Surge Narrows

Mobilization to Owen Bay for the approach works has been rescheduled to December 15th. This adjustment, combined with the planned construction pause over the holiday period (December 22 to January 2), has resulted in a modest shift to the overall project timeline. The sequence of work remains unchanged.

Updated Schedule (Approximate)

Owen Bay: Approach Work - Mid December; Float Installation - Early January

Surge Narrows: Approach Work: Mid January; Float Installation - Late January

Port Neville: Float Installation - Early February

We appreciate your patience and understanding as we deliver these important wharf improvements. We will continue to share updates should further adjustments be required.

Letter from Dr. Hughes

Dear Islanders,

I am sadly writing to formally announce my resignation from full time work at the Quadra Island Medical Clinic, effective 31st March 2026.

This decision does not come lightly, and it follows considerable reflection. I have been a doctor for 40 years and it has been a privilege to care for patients in this community since 2019, after Dr Boegel retired.

I will continue offering monthly Read Island Clinics until March, but please make sure that we address your long term prescriptions needs before then.

It was my intention to reduce working hours and carry on in a part time capacity, with the agreement of the Quadra Island Health Society. However, this does not appear to be an option at present, without financial support from Island Health.

The Quadra Island Health Society and I have been working hard for the last few years, searching for an additional doctor, or nurse practitioner to work here long term. (There are currently over 900 vacancies for GPs in BC). We are continuing with the search.

I find it frustrating that so many deserving Islanders may be joining the one in five people in BC who do not have a regular family physician.

Whilst I remain hopeful that I may continue to offer some services after March, we must be realistic and plan for every eventuality. For anyone looking for a new doctor, I would strongly encourage you to register with the health connect registry: **https://hcr.healthlinkbc.ca**.

Thank you to all who have supported this clinic over the years. Islanders deserve a community health centre but sadly services on Quadra are at serious risk of closure.

- Dr Steve Hughes

Please consider attending the AGM of the Health Society on December 11th. You can also support our clinic by writing emails cc to:

HLTH.Minister@gov.bc.ca
Deborah.Harver@islandhealth.ca
Dhamilton@crddivision.ca

The CIA teens exploring the Read Island Bog

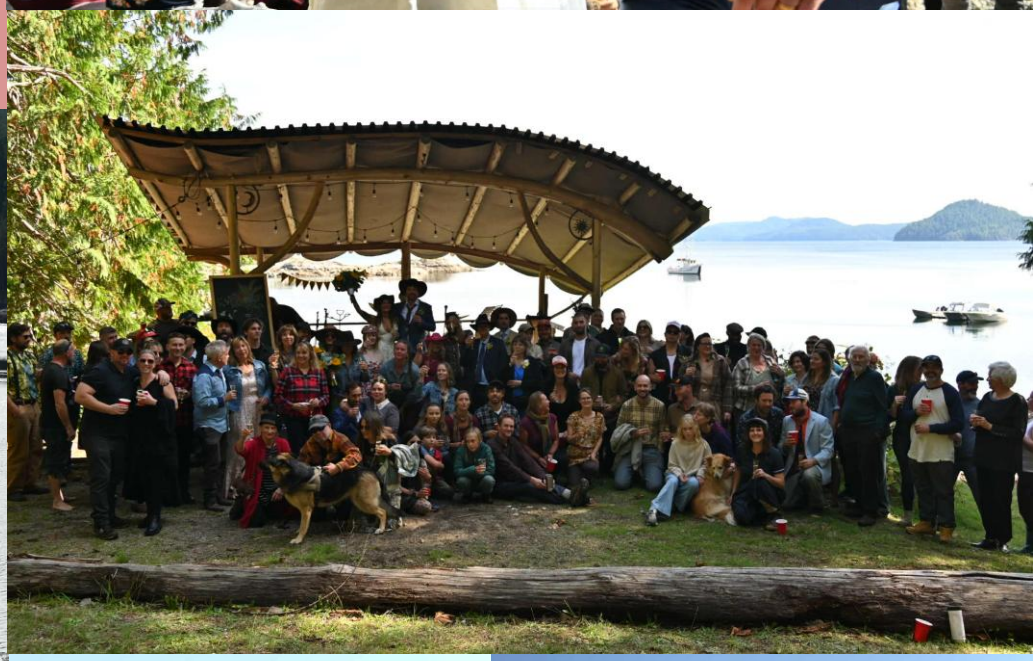
Salix's article published in Strathcona Collective Magazine!

Local teen Salix Webb was asked write about their unique high school experience in the Cortes Island Academy for the bi-annual magazine by the Strathcona Collective. Check it out at the link below:

Cortes Island Academy: Nature Based Education

Congratulations Nick and Ishbel!

After a very island wedding at Lambert's Beach on October 4th, 2025, Nick Marsh and his new partner in crime took off for an extended honeymoon in Africa! Here are some great pics from their nuptials as well as their recent travels! Best wishes to them both for a strong and joyful partnership!



Surge Revitalization Update - November 2025

SRD are awaiting the hydrogeologists report summarizing the water quality testing from the well. This report will support applications to the province for a groundwater use license and to VIHA for required drinking water permits.

The findings of the archaeological field review were that no cultural heritage properties (e.g., materials, features, exposures, deposits) or areas of raised archaeological potential were identified within the project footprint, and no further archaeological work is recommended in advance of the proposed developments.

The seafloor clean up in the tenure area was undertaken on November 13th, and the crew was able to fill the 11ft by 22ft deck on the landing craft with debris. The transfer station receipts indicate just under 1900Kg of garbage was removed from site. The dive team also noted that more garbage remains in the tenure area, and SRD will be making plans for a return trip.

There is no update on the marine facilities, but SRD are working to get the website updated (including the latest drawings) as soon as time permits. There is no update on the building drawings or hiring of a construction manager.

- Surge Revitalization Communications Committee (Jim, Lannie, Bruce, Rosie, Sheila, Rock)

Read Island Lumber

Support local sustainability!
Red Cedar or Douglas fir, ready cut standard sizes or custom orders while supplies last.
Also available in limited quantities: clear old growth cedar and cypress as well as yew for the more advanced projects. Call for more details.
Comparatively priced, may include delivery.

- Tom Hollanders
250-203-3901

Missing Wire

Some coils of copper electrical wire have been taken from the Quonset hut recently. The person who took it may not have realized that it belongs to SNCA and one other local. It was used for renewable energy projects.

Supplies and equipment stored in the Quonset may appear leftover and abandoned, but they aren't. If you mistakenly took this wire, please return it. Anyone looking for stuff there should ask someone at SNCA before taking it.

Thanks,

Ralph Keller, Director

Tiny Home Retreats

Do you have visitors coming for an extended stay and need some extra space? Consider offering them a unique stay in a custom built tiny home!

Fully set up with power, propane stove, fridge, hot shower, running water and internet (if desired), the tiny home is built from locally milled lumber and is located on the south end of Read Island. From the tiny home, it is a 30 min walk to Read Island Provincial Park and a 10 min walk to the ocean (Burdwood Bay).

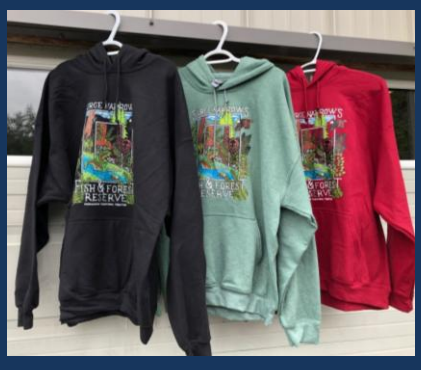
Please get in touch with us if you're interested and want more information!

- *Rockford (rockfordroyko@gmail.com)*
- *Sheila (fashedo@hotmail.com)*

New Order of Surge Hoodies available at the Post Office!

They are priced at $75 each. They sport the same "Surge Narrows Fish and Forest Reserve" logo, but in new colours and sizes and with a land acknowledgment.

They would make a great Christmas gift for anyone on your list!



December 2025
