Bunkhouse Coordinator Report

December brought some extra hustle and bustle around Surge due to the extra choir and play rehearsals for the school's annual Christmas Concert. Weekly Coffeehouses were held in the Bunkhouse, creating cozy opportunities for neighbours to gather and share stories and news.

Thanks to Jim, in the role of SNCA Maintenance person, we've gotten some small projects completed in the Bunkhouse such as hanging up more coat hooks in the entry and pressure washing the decks.

I'm also happy to report that the SNCA Board approved Lise and Renate H. as Assistants to my Coordinator role. It was great to have their help in November when we hosted the big community dinner (with the music event) and for all the preparations for the White Elephant lunch and party.

White Elephant: Thanks to everyone who came to this annual event. Thanks as always to the folks who jumped in to help with dishes and clean up!

January Events: Let me know if anyone would like to host a presentation or slideshow this month during a Coffeehouse. See next page for Coffee House schedule and times.

**Please note that Coffeehouses may be cancelled due to snow (if it happens) - keep an eye out for updates on the Surge Community Facebook page. Let me know if you want to be emailed the updates.

- Sheila, Bunkhouse Coordinator

Beautiful gifts and a delicious feast at the White Elephant gift exchange and lunch! Photos by Sheila

January 2026 Community Events Schedule

Reminder: check snca.ca for the most up-to-date calendar, and keep an eye on the Surge FB page for pop-up events!

- **Friday Jan 2nd** — **Grocery Delivery**
- **Wednesday Jan 7th** — **Coffeehouse: 1-3 pm**
- **Friday Jan 16th** — **Coffeehouse: 10 am**

  Meeting hosted by ROG Residents Group: 11 am

  This is a local discussion/workshop to prepare for a later Official Community Plan Meeting with the Regional District Planners.

  Grocery Delivery
- **Wednesday Jan 21st** — **Coffeehouse: 1-3 pm**
- **Wednesday Jan 28th** — **Coffeehouse: 1-3 pm**

Surge Medical Clinic

Surge School Christmas Concert 2025

There was a great turnout for the annual Christmas Concert, both in terms of audience and performers. Tina wrote and directed the play this year in her characteristic enthusiastic, creative and unique style, and she even managed to wrangle the local teens who were home for Christmas break, into playing key roles at the last minute!

Following the play, the elementary children displayed their growing recorder skills and the adult Islands' Choir (Kathy, Charmaine, Lannie, Jim, Steve and Violene) treated us to lovely Christmas harmonies, both led by Hanneke Wilson. Susanne and the kids sang a unique rendition of the 12 Days of Christmas, punctuated with friendly contention about whether the Oilers or Canucks are superior.

There was also a group song played and sung by adult community members, choir members, and the children, as well as a dance performance by a group of older girls along with little Rex.

In individual performances, Maeve showcased two different styles of dance she's training in, accompanied by her mom Miray on pennywhistle for one of the tunes. Natalie and Rex both displayed their growing piano skills, Jay Greenfield skillfully recited several classic poems and Sheila sang and played guitar.

The Open Stage at the end attracted several brave groups of students who spontaneously sang traditional Christmas songs: Julia, Ethan and their little cousin Rome, as well as a group of the Cortes Island Academy teens – Elsie, Salix, Dylan, Jasmine and Devin.

Huge thanks to the many adults, teens and children who poured their time and energy into creating another memorable Surge Christmas Concert.

SNCA Board Shorts Jan 2026

Winding down the year with a busy board meeting once again! Key items from our Board meeting on December 13th (minutes on our website) include:

SRD Donation of a Water/Pumper Truck
(formerly used by the Cortes Fire Department)
Inlet Navigation will deliver the truck gratis, and it will be housed and maintained by Hugh McNab at his place on Bird Cove. Thanks to Hugh and Clarke for spearheading this donation. More to come!

Aging In Place
As part of the Aging in Place programme led by Sally Davies, ongoing discussions regarding meeting unmet demand for expanded home care have led to a plan, led by Heather Jansen along with Sally, Kim and Shawnai, to canvas existing clients on what other domestic or technical services may be supported through the programme. This may include end of life care, and a planned U of Surge discussion with Margaret Verschuur of the Quadra-based "Way to Go" society (way2go.ca) will take place in early spring 2026 at the bunkhouse.

Firewood Drive
In part related to the above, SNCA would like to re-start an annual firewood collection drive intended to benefit seniors who for any reason aren't able to process their own heating fuel, as well as for the Bunkhouse during heating season, which all of our community members enjoy from time to time. The target will be to fill the woodshed behind the Bunkhouse each year which should be enough to supply both seniors and the community.

Community Cemetery/Memorial Park
Finally, again related to Aging in Place, there's been considerable discussion on the prospect of creating a community cemetery/memorial park on Read. Research thus far into the legal, regulatory, and operational management of this has indicated that while complex and requiring a sustainable and committed organisation to lead development and manage this public amenity, it's doable should the community provide SNCA a strong mandate to proceed. SNCA is exploring the best way to initiate comprehensive consultation with members and the broader Outer Island community. More to come in 2026! - *SNCA Board - Dan, Clarke, Heather, Jay & Ralph*

A New Year's Message from SNCA Chair Dan Lewis

Looking back at the year just passed, I'd like to acknowledge with gratitude the accomplishments of our past and present board members and those in our community that have contributed their wisdom, time and commitment to our collective aims.

Looking forward to the coming year, those efforts will continue to strengthen our sense of community, and our resolve to ensure our vision of a sustainable, resilient and caring community throughout the Outer Islands we all call home.

On behalf of SNCA, I wish you all a safe and prosperous 2026.

Tiny Home Retreats

Do you have visitors coming for an extended stay and need some extra space? Consider offering them a unique stay in a custom built tiny home!

Fully set up with power, propane stove, fridge, hot shower, running water and internet (if desired), the tiny home is built from locally milled lumber and is located on the south end of Read Island. From the tiny home, it is a 30 min walk to Read Island Provincial Park and a 10 min walk to the ocean (Burdwood Bay).

Get in touch with us if you want more information!
