Bunkhouse Coordinator Report

Another month has flown by! February saw us host three Coffeehouses at the Bunkhouse, plus a Community Lunch on the big meeting day (Co-op AGM and OCP meeting). People are enjoying the sing-along sessions, though with nicer days, attendance seems to be dropping - I'm guessing people are (understandably!) out tackling outside chores.

The Medical Clinic days seem to be quite busy in the Bunkhouse lately, with people dropping in all day between 11am and 3pm. This time I made a quick soup which folks seemed to enjoy.

Coming up in March:

March will see one Coffeehouse and two Community Lunches. The Regional District will be covering the OCP lunch on **Tuesday March 3rd**, but donations are kindly appreciated to cover food costs at other Lunches and Coffeehouses.

The second Community Lunch is on **Wednesday March 25th**. I'm excited to be working with the Aging at Home team to host the University of Surge event: "Reimagining Death". Please find more information in the separate article.

See the Calendar on the following page for a full list of upcoming March events.

Looking ahead to April:

- **Friday April 10th** - Dinner and Jazz - with Quadra band "Jazz on the Rocks". There will be a community dinner to accompany the music! Thanks to the Quadra Island Foundation who provided a Neighbourhood Small Grant that will help cover some of the costs for this event.
- **Thursday April 16th - Friday April 17th** - University of Surge: “Willow Basket Weaving” with Meredith. Space will be limited, so please RSVP to Sheila. There will be a small fee to help cover Meredith's costs and time.

- Sheila, Bunkhouse Coordinator fashedo@hotmail.com 250-203-9490

March 2026 Community Events Schedule

Reminder: Check snca.ca for the most up-to-date calendar, check srd.ca/area-c-tc-dw for dock work updates and keep an eye on the Surge FB page and Community Notices emails for pop-up events!

- **Tuesday March 3rd** — **SRD OCP Meeting 1 - Settlement, Housing, Water and Waste: 11 am to 3 pm**
  Community Lunch: 12:30 to 1 pm (during break)
- **Wednesday March 11th** — **Coffeehouse and Sing Along Jam: 1 to 3 pm**
- **Friday March 13th** — **Grocery Delivery**
- **Wednesday March 18th** — **Community OCP Meeting 2 – Environmentally Sensitive Areas: 1 to 3 pm**
- **Wednesday March 25th** — **Surge Medical Clinic**
  Community Lunch: 12 pm
  University of Surge - Reimagining Death: 1 to 3 pm
- **Friday March 27th** — **Grocery Delivery**

Quadra Island Medical Clinic Update

Quadra Island Medical Clinic wanted to give everyone a heads up that Dr. Hughes will continue working in the office and visiting Read Island until September 2026.

He has planned his next few visits to Read:
- Wednesday March 25th
- Wednesday April 22nd

That is as far as we have got with the planning, but he does aim to continue with a monthly visit to Read Island while he continues working.

Reminder: For anyone looking for a new doctor due to Dr. Hughes' retirement, register at hcr.healthlinkbc.ca to get on the list for a new physician.

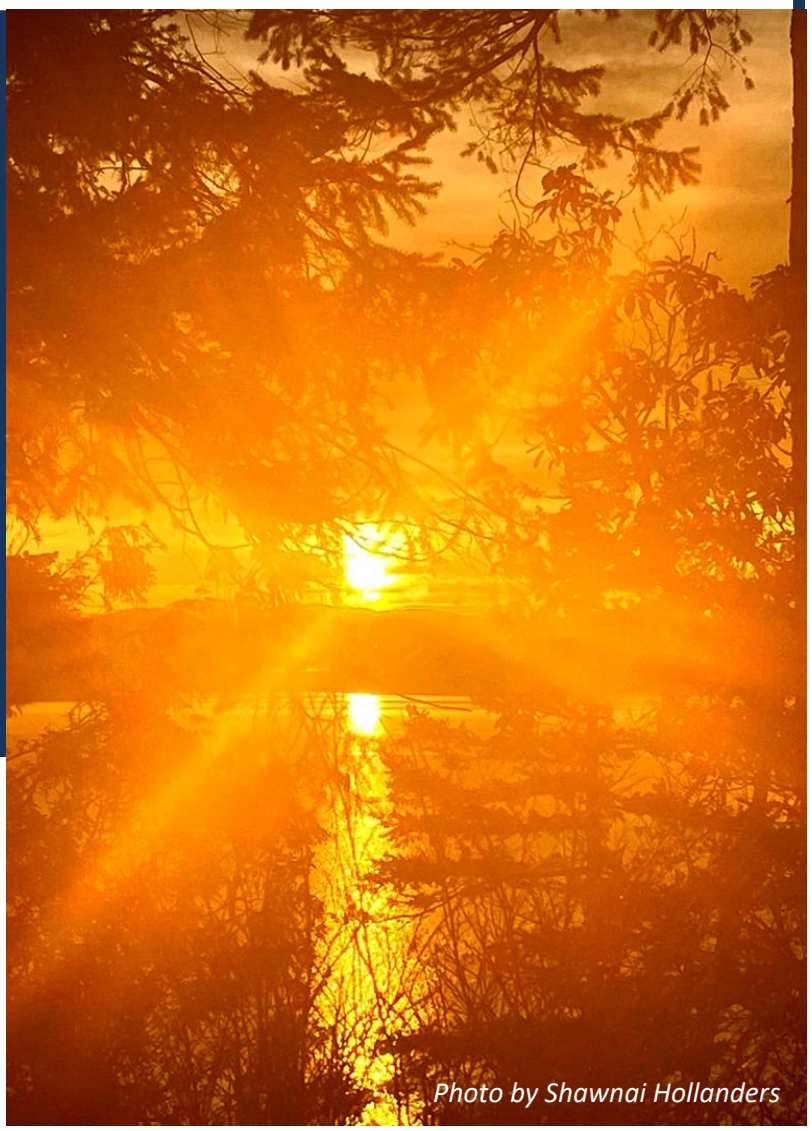

Photo by Shawnai Hollanders

Save the Date: Beachfest 2026

July 10th to 12th Weekend

***Zonnis* and their full band *The Afterparty* will be headlining Saturday night (July 11th).**

More details to come!

Feb 2026 Update: Revised Schedule for Approach and Float Installations

Since our January update, the project schedule has shifted again.

The revised timing is primarily related to the contractor coordinating these works alongside other marine construction projects currently underway. The SRD received very competitive pricing for this project as a result of those efficiencies and shared mobilization. While this approach provides strong value to the community, it does require some flexibility in sequencing and scheduling.

The overall scope of work remains unchanged. All dates below remain subject to change. We will continue refining and confirming specific dates as they are finalized.

Updated Construction Activities (Anticipated – exact dates to be confirmed)

Surge Narrows: **Approach -** Beginning early March, **Float installation -** Early April

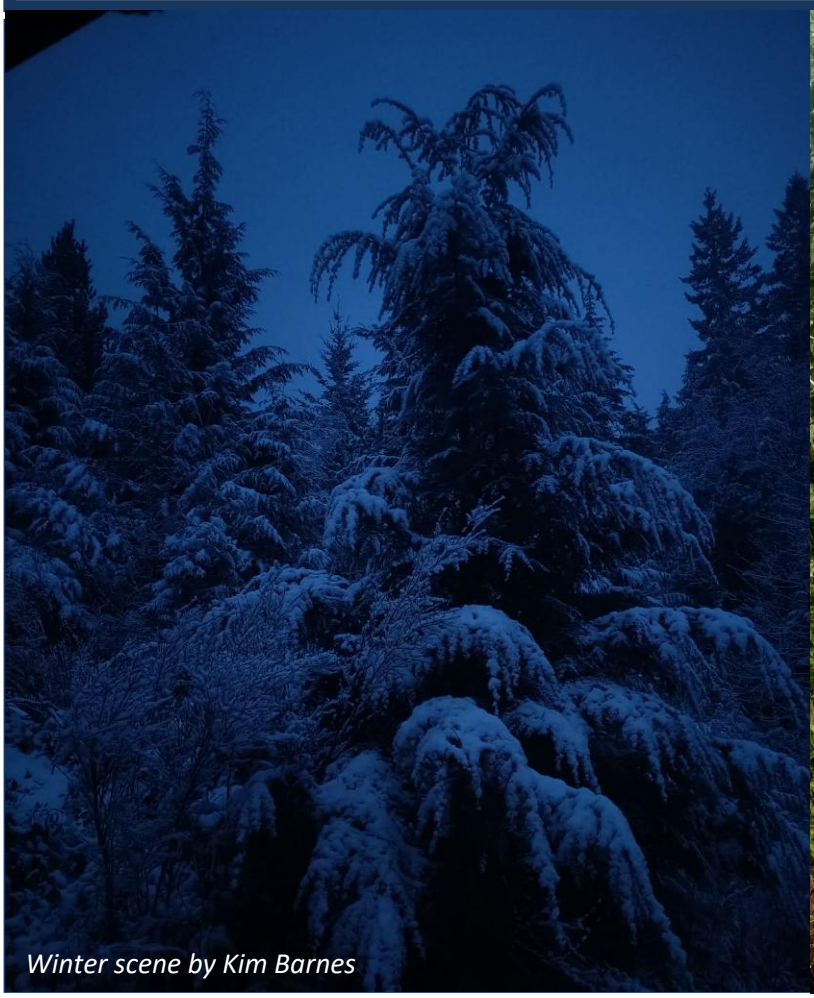
Owen Bay: **Approach** – Complete, **Float installation** - Late March

Port Neville: **Approach** – Complete, **Float installation** - Late March

Updated dates will be shared as soon as they are confirmed.

We appreciate the community's continued patience and understanding as we coordinate these important wharf improvements. Providing cost-effective delivery while working within marine construction windows requires some flexibility, and we will continue to communicate schedule refinements as soon as they are available.

Project Inquiries: **Sheena Fisher, Manager, Strategic Initiatives sfisher@srd.ca 250-830-6711**



Winter scene by Kim Barnes

Spring scene by Rockford Royko – look closely…

Please join the **Outer Discovery Islands Aging at Home** team for an informative event that we're sure you'll find interesting. SNCA has partnered with us to make this event possible.

REIMAGINING DEATH with Margaret Verschuur of *Way to Go*

1 p.m. to 3 p.m. on Wednesday, March 25th

Bunkhouse at Surge Narrows

Have you heard of **Way to Go**? It's a Quadra Island group that works toward *integrating death as part of life*.

Are you curious about **green funerals and natural burials**? Margaret will bring us up to date on these topics.

Have you wanted to have a **discussion about death** with your family or friends but encountered resistance? Or you don't know where to start? Margaret will cover this in her discussion with us.

Are you aware that Dan Lewis and others are investigating the feasibility of a **community cemetery** on Read Island? Information will be provided -- you can ask questions and provide input.

Margaret's words: "In the past, friends and neighbours cared for their own at death, integrating it as a natural part of life. Join us to explore how death can be welcomed back into the circle of community - grounded in compassion, respect, and presence - and how you can make home-based, holistic care for the dying and deceased more accessible."

SNCA Board Shorts – March 2026

Meeting minutes available on the SNCA website

An uncharacteristically quick-ish February SNCA Board meeting dealt with normal business matters and moved on to a number of new community proposals, namely:

Emergency Medical Supplies and Fire Safety Equipment for Owen Bay
Emily from Sonora joined the meeting to present a proposal for acquiring emergency medical and fire safety equipment to be deployed to Owen Bay which was supported by the Board, which will assist in procurement of these items once a proposed inventory is presented.

Supporting Home Support Meals with Tru Value Gift Certificates
A rather large collection of gift certificates from Tru Value have arrived and the Board unanimously agreed to disburse a significant number to provide fresh food for the Home Support team to improve meals prepared and delivered by them. This will be an ongoing intermittent use of the food voucher programme we all contribute to.

OCP Surveys and Consultations
SNCA has purchased an annual subscription to Survey Monkey to facilitate a series of consultations related to the (ever evolving) Official Community Plan we'll be subject to when/if it is ever concluded. We encourage as many people as possible to participate, share your thoughts through the app and follow up with face to face meetings. The first survey of the series concluded in mid-Feb, but others will be forthcoming regularly.

FireSmarting of School, Bunkhouse and Quonset Hut
The School, Bunkhouse and Quonset Hut have been 'Fire-smarted' this month. Thanks to SD72 for raising the funds and contracting the crew and to Sheila and Jim for overseeing this long past due operation.

New Water/Fire Truck Located at Hugh's
Speaking of long past due – Hugh McNab and Clarke received the delivery of the new water/fire truck donation from SRD and Cortes Fire Department this past week. It's at Hugh's place, and can be made available as needed.

Bunkhouse Improvements
Finally, a number of improvements to the Bunkhouse are underway including the purchase of new audio equipment, closing in the new power system, hooking up the new solar system, and commissioning the new generator, which arrived a few days back.

- *SNCA Board - Dan, Clarke, Heather, Jay & Ralph*

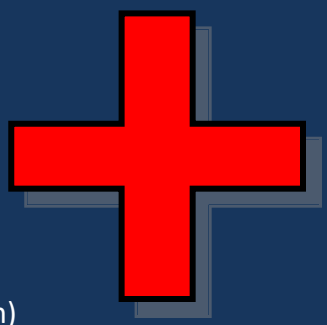
Free Community Marine First Aid Course

SRD May 2026 Emergency Preparedness Week Event



Course: Basic Marine First Aid w/ CPR/AED Level C
Dates: Saturday May 2nd and Sunday May 3rd
Time: 9:00am – 6:00pm both days
Location and Notes:

- Bunkhouse at Surge Narrows (hands-on portion may break out into the gymnasium)
- Coffee and tea will be provided, but please bring your own lunch and snacks

To Register: Contact Manager of Emergency Services Shaun Koopman at 250-830-6702 or skoopman@srd.ca

Certification:

- 3-year certification in Standard (Intermediate) First Aid and CPR/AED Level C
- 5-year certification by Transport Canada

Completion:

- Demonstrate a working competency of all required skills.
- Achieve a minimum score of 75% on the written exam.
- Attend and actively participate in 100% of the course.
- Must adhere to the Fundamental Principles of the Red Cross.
- People younger than 16 are welcome to register to attend for knowledge and skill development; however, a certification cannot be issued, due to the Transport Canada endorsement of this certification.

Course Content:

- The Red Cross
- Breathing Emergencies
- Wound Care
- Environmental Emergencies
- Marine Environment
- Responding to Emergencies
- Circulation Emergencies
- Head, Neck, Spine and Pelvis Injuries
- Moving an Ill or Injured Person
- Check, Call, Care
- CPR & AED
- Sudden Medical Emergencies
- Poisons

OCP Surveys and Meetings Schedule – Spring 2026

Topic	Survey Sent Date	Survey Closed Date	Community Meeting on Topic	SRD Meeting on Topic
Housing and settlement. Energy, water supply, sewage	Feb 9	Feb 15	Feb 18	Tuesday March 3
Foreshore (aquaculture, moorage, access, industry, etc). Environmentally sensitive areas, trails, wildlife, parks	Mar 9	Mar 15	Mar 18	Thursday Apr 2
Local economy, tourism, light industry, commercial, home occupations,	Apr 6	Apr 12	Apr 15	Thursday May 7
Services, transportation, docks, communications, waste management	May 11	May 17	May 20	Wednesday June 3
Forestry\Natural Resources, Industry.	Jun 15	Jun 21	Jun 24	Wednesday July 8

Local Jobs, Products, Services and Wanted Ads

Coast Mountain Expeditions is hiring a cook!

Coast Mountain Expeditions is looking for a cook to prepare and serve healthy & delicious food for lodge-based kayak trips from Discovery Islands Lodge. This job involves cooking for up to 13 people in a semi-remote, off-grid lodge. We'll provide you with menus, but there's some room for creativity, especially for more experienced cooks. Our season runs late June to early September; work is roughly week on, week off.

Please get in touch for a full job description, schedule, and wage (dependent on experience).

Email preferred: kayak@coastmtn.com - *Albert Keller*

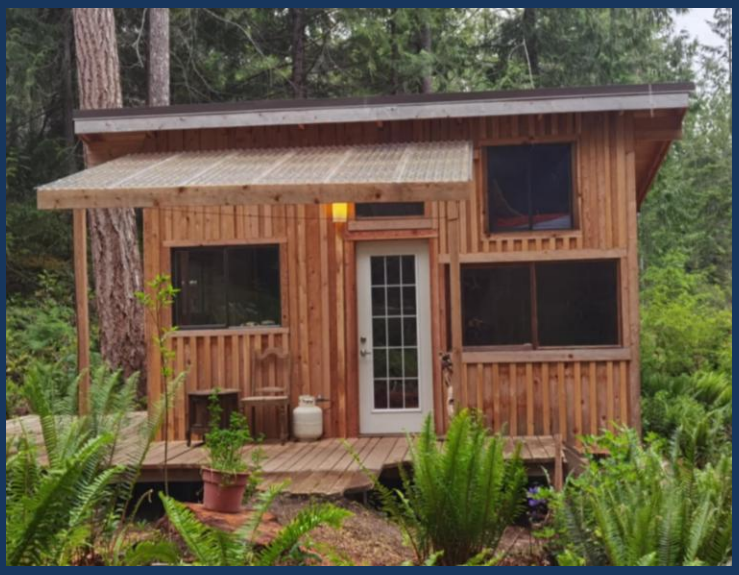
Surge Narrows School: Custodian Position Available

This is a casual position, filling in for the usual custodian, Sheila, for sick and vacation days.

Interested potential applicants can visit the School District 72 Job Connect Website for more information and to apply for the position.



Tiny Home Retreats

Do you have visitors coming for an extended stay and need some extra space? Consider offering them a unique stay in a custom built tiny home!

Fully set up with power, propane stove, fridge, hot shower, running water and internet (if desired), the tiny home is built from locally milled lumber and is located on the south end of Read Island. From the tiny home, it is a 30 min walk to Read Island Provincial Park and a 10 min walk to the ocean (Burdwood Bay).

Get in touch with us if you want more information!

- *Sheila (fashedo@hotmail.com)*

Fire Safety Team Update – March 2026

Now is the time to focus on FireSmarting. As a reminder, make sure you pay attention to the following:

- **Home Ignition Zones:** Focus on the immediate 1.5-metre "non-combustible zone" around the house, then the 10-metre zone, by removing flammable materials.
- **Landscaping:** Prune tree branches at least 2 metres high, rake up needles/cones, and remove combustible debris.
- **Structure:** Clean gutters, ensure roof material is fire-resistant, and keep firewood 10+ metres from the house.

Recently the focus has been FireSmarting around the school and community buildings. Funded by the School District, Kate and Tor of Reef Point Falling Contractors have completed the FireSmarting of the school and gym area. They will be completing the balance, including the Bunkhouse area, this weekend providing the weather cooperates.

Once the FireSmarting has been completed, we plan to start designing a comprehensive water sprinkler/suppression system for the entire school/SNCA complex.

Qaya Way West Water Taxi

More folks are using the water taxi, which runs in any weather. It leaves from downtown in the Coast Marina beside the ferry. The only downside to that location is lack of parking, but a crew member may help you park your car elsewhere, if you are driving.

In the winter, the scheduled run departs from Campbell River at 9:00am on Mondays, and Noon on Fridays. In the summer season there is also a Wednesday run leaving at Noon.

ETA at your drop off or pickup point near home varies according to their load, passengers and route. If you are lucky, you will get a fine tour of these islands. The skipper will often stop for whales and bears, too. It's a reliable, hassle free and entertaining way for your guests to arrive.

The following schedule shows prices increase in peak season, June to Labour Day - those prices are entered in red.

- Judith
