Bunkhouse Coordinator Report

June saw perhaps the most use ever of the Bunkhouse! Thankfully, we had the Zone to spill over into for our various other events while Wilderness International used the Bunkhouse.

Wilderness International Scientists Stay

Five scientists stayed in the Bunkhouse for five weeks and used it as their base camp for their daily expeditions around Read Island. They made good use of the kitchen and it was great to see the Bunkhouse transformed into a bit of a lab with scientific instruments and devices for documenting data.

The WI team set up some weather instruments on the top of the Bunkhouse that are being recorded and sent via internet to a central source. So neat! Access it here:

Surge Narrows Weather Station

It was generous of them to host a community lunch in May, and they also spent a day with the School kids,

showing them various ways they conduct experiments (soil, insects, flora and fauna etc). I'm also grateful they were flexible and we were still able to use the Bunkhouse kitchen for making coffee and hosting other events.

OCP Meeting June 3rd

This was held in the Zone, but we made the coffee and goodies in the Bunkhouse. It's great to see the good turnout for the meetings, but in my opinion it would be great to see more younger folks attending to have a more rounded discussion and expression of values. ***Please consider attending the next and final OCP meeting Wednesday July 8th, the last in-person opportunity to give input.***

Retirement Lunch for Outgoing School Principal Lorill

We had a Mexican fiesta lunch (her favourite) out in the Zone, which was great despite the hail storm! Afterwards we had a wonderful sharing circle where we expressed our gratitude for all her contributions to our School. We are sad to see her go, but excited for the next chapter with incoming principal Michael Datura, who is also the principal of the Cortes School and the Cortes Island Academy.

Bookclub at the Bunkhouse

Since Covid, Bookclub has been using the Bunkhouse on a fairly regular basis. The building is a great central and accessible building and now that it has power and water 24/7 it is proving to be a very functional building!

Summer Plans

The social scene is moving down to the Seaweed Cafe for the summer, which gives me some time to do some much needed deep cleaning and organizing of the Bunkhouse over the summer. Unfortunately the grant money funding the Bunkhouse programs will be running out in the Fall so we are looking for more grant or other funding opportunities - please let me know if you have ideas! If you'd like to donate money to the Community Lunch program, that would be great - you can donate to SNCA at *surgenarrows@gmail.com*

Thanks to everyone who has been attending the events and gratitude to all the wonderful people who have helped out at the events since September! Have a great summer and I look forward to hosting more events in the fall.

Beachfest 2026

**Full Beachfest Schedule on next page*

Sunday July 4th – Volunteer Work Party

The big weekend is approaching and a crew of volunteers will be getting the grounds ready and setting up Sunday July 4th. Please join us between 1 - 5pm. Bring gloves, a rake and swimsuit!

Friday July 10th – Beachfest Day 1

We are excited to host CBC's **Grant Lawrence** and friends (**Jill Barber**, **Desiree Dawson**, and **Danny Michel**)!

Friday Tickets The Friday night event will be independently ticketed from the rest of Beachfest. You can buy Grant Lawrence and Friends tickets online here: ***eventbrite.ca/desolation-sound-tour-2026-read-island-tickets***

See their poster on page 9 for additional details about their Desolation Sound Tour dates and locations.

Saturday July 11th - Beachfest Day 2

The day will kick off with a low key **Sailing Regatta** followed by a **Tarot Workshop**. **Open Mic** starts at 3pm - all are welcome to perform (music, poetry, stories). The Victoria folk duo **Zonnis** (who played at the Bunkhouse this winter), **Hannah Rose** and **Johnny Hanuse** will be warming up the stage for the dance band **The Afterparty**. A local DJ from Quadra will keep the dance tunes going and will wind the party down. There will be lots of open stage time for more folks to perform in the afternoon.

Saturday Tickets By donation (suggested $30 for adults). Cash only at the event, or e-transfer to Zephyr Polk anytime at ***zef_13@hotmail.com***. Please state how many people you are paying for!

Food and Drinks: Leah is offering a small menu of food and drinks throughout the weekend. Order ahead at: ***beachfestfood.com***

Local youths will also sell a few snacks and drinks, but not meals.

Friday night is a potluck – bring a dish to share! On Saturday, order from Leah or bring your own dinner and refreshments.

As usual, please remember:

- This is an off-grid, family friendly, community event (friends and family only, please!)
- Absolutely NO FIRES!
- Smoking only in designated smoking areas
- Bring your own food, water and other supplies
- Pack out your own garbage and recycling
- Arrange your own transportation
- Leave pets at home

We look forward to seeing you there!

Beachfest 2026 Schedule

** Note that this is the tentative schedule and is subject to change*

Friday July 10th

- **5:00 pm - Potluck Dinner** - Please bring a dish to share.
  Grant and friends will be joining us for dinner!
- **6:00 pm - Grant Lawrence and Friends (HEADLINERS)**
- **Afterwards - Open stage, jam?**

Saturday July 11th

- **11:00 am - Sailing Regatta** - Meet at Lamberts with your sailing vessel and lifejacket. This is a low key event to help people get out and have fun sailing!

- **2:00 pm - Activate Your Inner Psychic with Tarot with Andrea Zonnis -** Everyone possesses intuitive abilities, but learning to recognize and trust them is the key to unlocking your psychic potential. In this empowering workshop, Andrea Zonnis will guide participants through the foundations of psychic development, exploring the difference between fear and love-based thinking, and how to distinguish true intuition from the voice of the ego. Through practical exercises and spiritual insights, you will begin to understand how intuitive messages are received and how to build confidence in your own inner guidance. We will be using Tarot cards as a tool to unlock our intuition so if you have some bring them with you!

- **3:00 pm - Open Mic** - Share your music or stories!

- **6:00 pm - Adam and Andrea Zonnis** - A contemporary folk duo with cinematic harmonies and theatrical storytelling. Rooted in folk and roots traditions, their sound pulls from unexpected directions such as musical theatre and soul, wrapped around two voices that stop a room. You may remember them from their memorable show last winter at the Bunkhouse on Read. They live in Victoria and often spend winters abroad travelling and writing new music. Learn more at ***zonnismusic.com*.**

- **7:00 pm - Hannah Rose** - Hannah is a West Coast based country-folk singer-songwriter. As a writer and a poet, Hannah loves to tell stories and is inspired by finding beauty and complexities in the everyday mundane. Hannah Rose's raw and penetrating lyrics deliver a sense of realism into heartbreak, healing, family and legacy. Learn more at ***hannahrosecountry.com*.**

- **8:00 pm - Johnny Hanuse** - Johnny is a country blues finger pickin' Cortes man. A mixture of old and new with a dash of hippy. He found his roots in Klahoose with friends and family. He has performed at Cortes' Love Fest and most recently at Nick Marsh's wedding.

- **9:00 pm - Zonnis and the Afterparty (HEADLINERS)** - This band is a 6 piece juggernaut of twang and funk that only emerges for the most epic of parties! Get ready to dance!

- **11:00 pm onwards - Shoshin** - Tribal ceremonial down tempo bass music.

Aqua Chautauqua on Cortes and Quadra

July 17th to 23rd

An international community of performers, educators, and innovators will be sailing to Cortes and Quadra this summer. From **July 17 to July 23**, islanders will have an opportunity to connect with the New Old Time Chautauqua crew, who bring laughter, friendship, entertainment, and ideas wherever they travel.

Their Eau Canada Tour coincides with **Cortes Day on Saturday July 18 at Smelt Bay**. A marching band, artists, workshops, and performers promise to bring an extra bit of magic to this special day. On **July 19, a Potluck and Project with the Klahoose Nation** will take place.

The travelling flotilla will then sail to Quadra, where islanders are invited to participate in a **Service Project and a Potluck at the Community Centre on Tuesday July 21**, followed on **Wednesday July 22nd by a Parade, Workshops in Art, Ecology, and History, and an Evening Performance.** Acrobats, magicians, musicians, and dancers are ready to delight your senses!

Since 1981, the **New Old Time Chautauqua** has brought their offerings to rural and remote communities because they believe in the power of relationships, creativity, inspiration, and celebration. The crew is excited about community participation.

If you would like to offer a workshop or share your skills, please contact the Quadra Community Centre at *QICCvolunteer@gmail.com* or 250-999-1765. *- Laura Bennett*

What is a Chatauqua? *A "Chautauqua" was a cultural and social movement that started in upstate New York in the 1870s and flourished until the mid 1920s. During this time, hundreds of touring chautauquas presented lectures, dance, music, drama, and other forms of "cultural enrichment".*

Congratulations to Jasmine and Salix, 2026 Grads!

In lieu of an official graduation ceremony, family and friends wish to congratulate these hard-working local students on graduating from Grade 12!

We have watched these two navigate the challenges of childhood together, all the way from learning to share toys as 2-year-olds in Moms and Tots to becoming confident, kind student leaders in their time at the Cortes Island Academy. We witnessed them learn to excel academically, in art and music, and in navigating the great outdoors, always in their own distinct but complimentary ways.

They are both taking a well-earned "gap year" in 2026-2027 to work and travel. We can't wait to see where life takes them next!

SNCA Board Shorts – July 2026

Meeting minutes available on the SNCA website

It was a relatively brief Board meeting this month, as a busy autumn, winter and spring wind down to what we expect to be a less active summer. Nevertheless, aside from the regular items of business, a number of important issues were presented and discussed:

Firstly, after many years founding and leading our Aging in Place programme, Sally Davis is 'retiring' as of June 15th, 2026. I'm sure I speak for her many clients over the years, expressing gratitude for her work in our community, all of which is greatly appreciated by SNCA. Sally has appointed Sara Clegg as the new Coordinator, warmly welcomed by the Board to continue this aspect of our support to seniors throughout the community.

With an expected slowdown of bunkhouse use following the last OCP discussion scheduled for early July, Sheila will also be working reduced hours as Bunkhouse Coordinator through to late August, early September. As mentioned last month, SNCA is functioning with limited operational funding and this brief break will help as we search for and hopefully secure additional funds for the 2026/7 year. All board members and contractors have been urged to explore opportunities for grant funding to keep the many ongoing and expanding activities we are supporting to serve well our membership and wider community.

With our thanks for their huge effort, Jim Mallis and the entire Fire Safety Team are installing and testing the new fire prevention sprinklers for the school, bunkhouse and pavilion buildings and grounds. As of this writing, the FST has conducted two test runs pressuring up and calibrating the area coverage, water consumption, and sprinkler layout of both rooftop and ground sprinklers. To date, this has been done with a limited supply of fresh water; however, important data is provided each time so the team will be prepared in the event any of those buildings are threatened by fire. Again, big thanks for all their efforts.

Remaining on fire safety, after an approach by one of our community members, SNCA has agreed to using its commercial capacity to facilitate the purchase of fire equipment from the same wholesaler that provided the sprinklers, hoses and couplers we're using for the school and SNCA buildings. This is something we will do for other community members who would like to also purchase these items. If interested, please draft an email specifying what equipment you need, including your payment information, and send it to surgenarrows@gmail.com. Dan will forward that to WFR Fire and Rescue Ltd copied to you, and the rest is up to you.

In other news, Ralph and Lannie together with a delegation from the Homalco folks and Wilderness International met and agreed on the site for the planned new Youth Education Centre, which will be located on Lot 302 south of the John Kim Sanctuary. It's a beautiful relatively level and accessible location with plenty of room for the building(s) and grounds, and as fundraising kicks into high gear hopes are high to see this get underway soon!

Finally, at some point during spring cleanup, some broken down items belonging to SNCA were moved temporarily onto SRD land where the Surge restoration work will be done. That has apparently provoked an "Alice's Restaurant" scenario where other folk's personal waste has now appeared. Please, that is not a dumping ground, what is there was being stockpiled by the SRD team until their work on the new store/dock facilities are complete and they will remove it (not yours) in time.

Until next month stay safe and enjoy the summer!

- *SNCA Board - Dan, Clarke, Heather, Jay & Ralph*

Fire Safety Team Update – July 2026

As we head into the high-risk months for a wildfire, we'd like to remind you to stay vigilant. At this time of year, we have guests and there are several public events planned. Please ensure you remind everyone of the fire danger and specifically ensure that all smoking happens in a safe area.

In the event of a fire, we have found the best way to get the message out is via Messenger. We have created a group called **Fire Safety Communication**. If you are not a member of this group, please join or contact Rosie at *rosie@executiveworks.org*. We will do a test of this system on Friday July 3rd at 9:00.

It's important that you are aware of what to do in the case of a fire. We have attached a document with this month's Current outlining the steps. We suggest you print this out and have it in an accessible place such as the door of your fridge. In summary, here's what to do.

Scenario 1 – You are Close to the Fire

1. If the fire is small and you can do so safely, try to extinguish the fire yourself.

2. If the fire grows and you can't get it under control, quickly:

- **Call for help.** The quickest way to alert the community is to post a brief message in the Fire Safety Communication group on Messenger. If you haven't done so already, please join this group.
- **Have someone contact BC Wildfire:**
  - *5555 (cellphone) or 1-800-663-5555 (Starlink / Xplore phone) or report via the BC Wildfire App
  - You can also call 9-1-1 to report a wildfire. 911 can triangulate your location and will call back if your call drops. However, BC Wildfire believes there are fewer delays if you contact them directly (above).
- **If you are not on the Messenger group, contact your neighbours for help**. Ask one person to contact Jim Mallis (*jmallis@telus.net*, cell 250-878-1073, VHF Channel 12 Explorer). Jim will mobilize the community initial attack team. If no answer with Jim, contact Ralph Keller (*coastmtn2@gmail.com*, cell 250-850-9787, VHF Channel 12 Winch Bay or Coast Mountain)
- **Keep yourself safe** if you're near the fire – please no medical emergencies. Put on protective equipment; fight the fire only to your level of training and ability.
- **Carry your cell phone and handheld VHF on Channel 12.**
- **Get your fire pump in place and pumping.**
- **Turn on your home sprinklers** if you have them.

3. Provide information / direction to volunteers who arrive until someone senior can take charge (E.g. BC Wildfire or leaders from the community wildfire team.)

Scenario 2 – You See Smoke / Flames in the Distance

1. Contact BC Wildfire:

- *5555 (cellphone) or 1-800-663-5555 (Starlink / Xplore phone) or
- Report via the BC Wildfire App
- You can also call 9-1-1 to report a wildfire.
- Then contact the community fire team (Jim's contact information above).

Here's the Info BC Wildfire will Want to Know:

- **Location**: i.e. Where is the fire? Terrain/hillside?
- **Size**: e.g. Size of a house? Football field?
- **Speed**: How quickly is the fire spreading?
- **What is Burning**? Grass, bushes, trees? What colour is the smoke? Can you see flames?
- **Weather Information**: Winds? Is it raining? Is it sunny/hot/dry; is there poor visibility?
- **Danger**: Any people or buildings at risk?
- **Action Status**: Is anyone fighting the fire?

Meanwhile, a lot of work has gone on getting sprinklers set up to protect our community buildings. Thanks to those who has spent time testing sprinklers, rolling hoses and building platforms to mount the rooftop sprinklers – Steve, Bob, Doug, Merlin, Renate, Dan, Rosie, Jim.

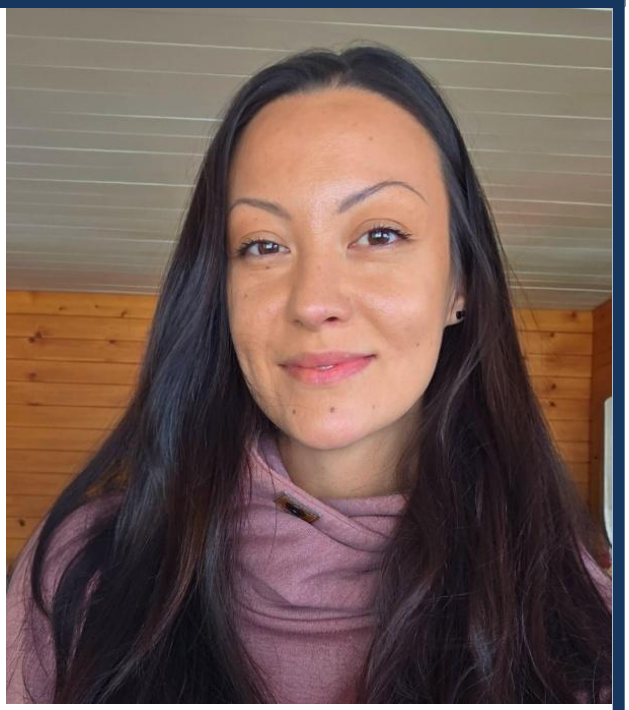
NEW COORDINATOR FOR OUTER ISLAND HOME SUPPORT / AGING IN PLACE



Along with our intrepid Home Support workers, **Kim Barnes** and **Shawnai Hollanders**, I'm very pleased to announce that **Sara Clegg** has taken on the role of Coordinator for our Home Support/Aging in Place program as of July 1st.

Sara holds a Continuing Care Aid Certificate and brings extensive experience to the position, including two years working as a Home Support Worker. I'm confident she will do an excellent job supporting our clients and the community.

Six years ago my husband, David Cox, together with the Quadra Island Healty Society, started this program, and I've had the privilege of serving as its coordinator ever since. Of course, I'll continue to support the program from the sidelines.

I would like to recognize our very first worker, **Lise Batcheller**, who helped pioneer Home Support in our community and I would like to extend my appreciation to **dood and Maya** for their outstanding assistance. So many other members of our community—far too many to name individually—as well as the **Surge Narrows Community Association**, have provided ongoing support which has been invaluable to the success of this program.

If you need to reach Sara, her contact information is: **Sara Clegg** *saralinka21@gmail.com* 778-879-6445

Thank you to everyone who has supported this program over the years. I know it will continue to thrive under Sara's leadership.

— Sally Davies

MEET OUR SOCIAL WORKER, *EUGENE SEMPEL*

Eugene will be joining Dr. Steve on **WEDNESDAY, JULY 15Th** and he'll be at the dock lunch at noon.

If you, a friend or a neighbour could use--

- Psychological and/or emotional support (e.g. coping with illness, caregiver support)
- Assistance with paperwork for government and other programs (e.g. registering for pharmacare)
- Advance care planning (e.g. wills)

--then Eugene's your guy.

The above is a brief very summary of what Eugene can assist with. He's coming out to meet our Outer Island community and get a sense of what people's needs might be.

For more information please contact: Sally Davies *sallyotg@gmail.com* 250-204-8466

HAVE YOUR COMPUTER FIXED FOR FREE

Kathie, Dave and Grant of **Digital Support Services** (Quadra Literacy) will be coming to the **Surge dock lunch** at noon on **Wednesday, July 8th.**

They would like to hear about any questions or issues you have with any of your digital devices. They can **help with almost anything digitally related**, including (but definitely not limited to!) setting up a new device, updating programs, how to stay safe on-line and dealing with viruses.

Bring your device so they can assess it. When they return in the fall, they'll know exactly what equipment or parts they'll need to fix, update, or improve it.

They will also bring some **low-cost digital equipment** for those on minimal incomes.

For more information please contact: Sally Davies *sallyotg@gmail.com* 250-204-8466
