- **Wednesday Sept 23rd** — **Seaweed Café** 1-3 pm, Sheila hosting, refreshments and goodies
  (in bunkhouse if rainy!)
- **Wednesday Sept 30th** — **Seaweed Café** 1-3 pm, Sheila hosting, refreshments and goodies
  (in bunkhouse if rainy!)

Note: Grocery Delivery Days are back to Fridays.

Bunkhouse Coordinator Report

Hey everyone, hope you all had a great summer and enjoyed gathering down on the new dock and having lunch there!

For the month of September I'll carry on with hosting Seaweed Cafe after Renate and Shauny's lunches but I'll do it more cafe style with refreshments and goodies (no lunch) that I've baked in the Bunkhouse from 1 - 3pm (coinciding with mail pick up). If the weather is foul on those days I'll be hosting up in the Bunkhouse (will post that on the community Facebook page and hang up a sign on the Cafe).

My plans for October and the rest of the fall are somewhat up in the air. I'd love to organize weekly events (possibly on Friday afternoons) that encourage community members to gather in a positive way - please let me know your ideas! Our funding may be limited though, so we may need to scale things down if needed.

If anyone is keen on leading yoga or meditation or other classes in the Bunkhouse this fall please let me know. I'm open to ideas and will help facilitate as much as I can.

- Sheila, Bunkhouse Coordinator

NOTICE FROM DONNA

I am missing the black plastic basket I use to sort the mail for the PO boxes. I inadvertently left it in the freight shed by mistake. If you have seen it could you please let me know? Thanks!
- Donna Keeling, Postmaster, Surge Narrows

COMING THIS FALL – Individual Appointments for Computer Assistance

The Quadra (Computer) Literacy folks came for a meet and greet visit at a dock lunch this summer. They'll be back in the fall to assist anyone with any computer questions or issues. (If you've already booked an appointment, they'll be in touch with you after the summer.)

Please contact Grant at
digitalsupport@quadraliteracy.com
for a free appointment.

If you're interested in a low-cost refurbished laptop (roughly $75-$150 or $175 to $300 for Windows 11 capability) contact Dave at dave@quadraliteracy.com.

SNCA Board Shorts – September 2026

Meeting minutes available on the SNCA website

Having taken a summer break ourselves and skipping our July meeting, the Board met on the 15th August with the primary objective of catching up on a few administrative issues before discussing the upcoming SNCA AGM.

So for those who've not yet seen this, the AGM will take place in the Bunkhouse starting at 10:30 am on September 26th, 2026. The agenda will consist of the orders of business for an AGM and will include a series of reports and updates on SNCA activities followed by the election or acclamation of board members before adjourning and hearing more detailed updates from guests Wilderness International and the Homalco FN (TBC).

Snacks, refreshments will be provided as last year and anyone who can is welcome to bring potluck salads etc – please coordinate with Sheila on this. Finally the events will close with a talking circle as in the past. The official Agenda has already been distributed and for those who wish to vote but cannot attend, Proxy voting cards have been sent round. Just a reminder to ensure they are printed signed and brought to the meeting by your proxy….

Of note, Tobias Hürten, Managing Director for Wilderness International Canada updated the Board on the pending purchase of some 1,140 acres of Read Island land owned by Lee Pond…the word is out and the land purchase is complete. It is a massive acquisition of land that will remain in perpetuity under the stewardship of Wilderness International, Homalco First Nation and SNCA. Huge kudos to Tobias and his team, Ralph and Lannie Keller for their persistence in advancing the protection of our forests.

Ralph reported that the Surge Narrows Forest Advisory Committee was (now has) undertaken a project to build a bridge out to the viewing platform at the wetlands site, and safe (and dry) access is now available to ramblers heading out there.

And finally (finally!) the last piece of the fire protection system for the school, bunkhouse and pavilion has been purchased by SNCA and a generous anonymous donor. In mid-August a mini-Stryker pump was delivered and has subsequently been tested both as an initial spray down pump and a booster if needed to power up the sprinklers on and around our buildings. Thanks to Jim, Rosie and the FST for their persistence in getting this essential FireSmart system in place on behalf of our community.

Hope to see everyone at the bunkhouse on the 26th! Also - a gentle reminder to please make sure your membership fees are paid up to date!

- SNCA Board - Dan, Clarke, Heather, Jay & Ralph

Fire Safety Team Update – Sept2026

The Fire Danger Rating is currently high. Despite this, amazingly enough at the time of writing campfires are still allowed. We sincerely hope that everyone has the wisdom not to have a campfire. Even with the most recent rain conditions are very dry and with just a small campfire, it wouldn't take much for it to get away.

Case in point, there was recently a fire on the Penn Islands, caused by kayakers having a campfire. Two boats contacted BCWS about a fire on the island just off Frederic Point in Whale Passage, across from the Penn Islands. Kate from BCWS called Jim who, given the location of the fire, called Rosie. Rosie then went to the location via boat to check it out. At that point there was no smoke. We learned afterwards that the kayakers who started the fire had managed to put it out and BCWS had sent a helicopter to assist with this and ensure it was out.

Although we had a good outcome, as with any incident there are learnings to be had. In this case, we believe we could have done better with respect to communications. While Rosie was checking out the situation, word got out that there was a possible fire. Many emails, texts and phone calls were then initiated by various community members. While well intentioned, these quickly became somewhat problematic. They were distracting and tied up the phone lines for those who were directly involved in the situation.

Given this, we would ask that in the case of a fire that you know that Jim is aware of, you wait to be contacted rather than taking it upon yourself to try and find out what is going on. We need to allow those who are directly involved to focus on the task at hand and not spend time on non-critical communications. If there is a fire that requires a full community response, we will send a message out via Messenger. If a smaller, more targeted response is required, we will contact individuals as necessary.

Thanks for your understanding.

– The Fire Safety Team

Surge Revitalization Update – September 2026

While we have nothing definitive to report, we're happy to let you know that SRD have taken our concerns seriously and are exploring the possibility of renovating the original store. They have retained Heritage Works to give them a quote on what it would take to restore the building. This will involve lifting it, placing it on a barge and replacing the substructure. While this will not be easy, we do believe it is possible and hopefully within budget. Heritage Works have been to the site a few times already and we hope to hear more in the next month or so.

In the meantime, at our request Robyn introduced a motion at the most recent SRD Board meeting asking for a staff report which would outline the steps and timeline required to achieve heritage designation for the Surge Store, including potential impacts for the Surge Revitalization project. This motion passed and so staff will now proceed with this work.

- The Surge Revitalization Communications Committee

QUADRA WASTE SOLUTIONS

Thank you for your interest in our new domestic waste removal service!

Operating Mondays (Excluding Statutory Holidays) 9am till 2pm

Accepting Bagged Domestic Waste Only

$15.00 per bag

To accommodate the greatest number of residents,
a ONE BAG LIMIT is in effect

(You unload from your vehicle onto tailgate of Quadra Waste Solutions truck)

Hassle-Free Waste Removal Service in Three Easy Steps

Step One: **Email Quadra Waste Solutions to request a Drop-Off Number for service that week. Please provide your road address - to maximize access by appropriate residents as much as possible.**

PLEASE MAKE NOTE OF YOUR DROP-OFF NUMBER!

Step Two: **Upon receipt of your Drop-Off Number, send your e-transfer to: quadrawastesolutions@gmail.com**

Step Three: **Between 9am and 2pm deliver your bagged domestic waste (You WILL be asked your Drop-Off Number upon Drop Off)**

Location: **Quadra Island Recycling Depot Industrial Way and West Road**
